Woolooware Golf Club

Round 10

With wild weather centred around the so called East Coast Low , our game at Woolooware G.C was called off on Saturday as the ground staff had shut the course on both days, so all we could look forward too is our next game in a fortnight at Chatswood G.C. on the 19th June.

So no results to record today, but at least you could sleep in this Sunday

The times are a changing. Muirfield G.C. in Scotland has just been informed that it will not be awarded an Open Championship while it will not allow women into the Clubhouse. Luckily when we play Muirfield G.C on the 28th August, 2016 in Sydney, they don't have the same archaic rules & both Joanne Kinkead and Lesley Ricketts will be able to sit in the posh leather chairs in the clubhouse
