Archie White GC

ROUND 12

### **TRANSFERRED FROM THE COAST G.C. BECAUSE OF RESTRICTIVE PLAYING CONDITIONS**

20 Players lined up for the wintery conditions and no BBQ and prawns at this game. The blinding sun of the early morning made finding your golf ball impossible at times if it didn't land in the middle of the fairway. Just ask Keith!!!

We hit off the 10th, so you had to remember to start scoring the score cards on the 10th, and the day belonged to "C" Grade players with 4 of the first 5 placegetters coming from our longer handicappers with a special mention for LITTLE Denis Carruthers getting a Guernsey on the podium.

Attention to the "C" Grade NTP column will note that only our ladies names fill the column and winning a golf ball.

I needed the ball I won on the 14th NTP, to replace the ball I hit into the big dam on the next hole the 15th along with Keith Johnson, but then again I tried ever so close to putting the ball into the canal leading to the dam on the 5th hole.

There were a lot of competition balls giving out today as 6 spots on the NTP's weren't filled in the round today. Some went home with multiple golf balls with George handing out the two balls each for the players who played or swam around the Georges River G.C.

The \$2 card has been selling 2 cards each time and Sifa Nacagelivu and Roger Harriman were winners this week.

We put the final numbers for the CHP RSL team of ten to represent our club for The 6th Annual Archie White Golf Challenge, and the several others to compete for the Staff/Directors team of ten to be played at Antill Park Country G.C. at Picton, next Sunday, After the game the Buffet Lunch and Presentation will be at Bargo Sports. Sorry no bus this year.

The Stableford winners were 1st Lesley Ricketts 39 s/b points in c/b, 2nd Wendy Donelan also 39pts, 3rd Sifa Nacagelivu 38 s/b points, 4th Bill Fonseca 35s/b pts in c/b, 5th Little Denis Carruthers also 35pts, 6th Robert Rubbo, Mark McKenzie and Michael Doan all on 33 s/b points
