Woodville Golf Club

ROUND 14

15 of us hit off at Woodville G.C. a great day to play golf. During the week we had Noa Palu and Sifa Nacagilevu indicated they were going to play but were no shows, along with the rest of our membership to have a very poor turnout of players contesting the CHP RSL Championships.

I have increased our booking for carts to 5 to allow for the return of a few more players to play the Cabramatta G.C. layout, but remember the course's SLOW PLAY policy especially on Social groups.

We have Bollywood George and the Thai Guy return after his little jaunt Overseas to India and Thailand, and the girls will return after playing in the Mixed Foursomes at the Valley over the last two weekends, so at least a few more playing.

We held the 1st Round of the Championships with John Kottaridis 85 in A Grade leading the field with Sid Pelcz 94, who is leading the B Grade section, being 2nd in the A Grade or Open Championship.

Ron Williamson 95, is one shot back and Joe Oriti 105, leads the C Grade Championships from "Gentleman John" Parsell 108 not far behind Joe Oriti

Peter Deady, nett 67, who won the Event of the Day leads the Handicap section, will retain his starting handicap for that section but loses 3 shots for the Event of the Day during the Championships. John Kottaridis, 26 putts leads the Putting Section from Sid Pelcz, 29 putts

John Parsell shot a very unconventional Par on the 7th Hole where he miscued off the carpet grass rubber tee (the rubber tee is too high) straight into the tree to the right, his next shot went onto the green but ran through to the fringe then his next shot drops in the cup for a "no putt" and a par, were as Ron Williamson had a 1 putt from the same fringe & Joe Oriti had 2 putts for their regulation Par 3

Epi Manu had trouble with the 12th green where he had 7 putts as the hole kept ducking and weaving his attempts to get it to the bottom of the cup to record a 10, whereas Epi had a "no putt" on the 7th green and the check of the cards showed there were 5 "no putts" around the greens.

We all had our share of good luck or bad luck especially on the 18th where a mishit off the tee pulled up short of the dam and a good tee shot ran all the way to the drink on the hard ground. David DeMarchi score could have been better except for two shots into the 18th dam on the last.

The winners of the Event of the Day, Stroke was 1st Peter Deady Nett 67 points, 2nd Sid Pelcz Nett 69 pts, 3rd Joe Oriti in c/b Nett 72 pts, 4th Ron Williamson also Nett 72 pts, 5th Bill Fonseca Nett 74pts

The next Game is Cabramatta G.C., .27th August, 2017 at 7.000am cnr Cumberland Hwy & Cabramatta Rd, Cabramatta.
