Bardwell Valley GC

ROUND 1

We cleared the cobwebs off the clubs, checked to see if spiders hadn't taken up residence in our golf shoes and headed to Bardwell Valley G.C. for our first game of the year with the CHP RSL Golf.

19 hit off with the CHP RSL with a few also hitting off in purple shirts on the day, representing BVGC in the Mixed Pennants. John Kottaridis played with us and also in the BVGC Sunday competition coming 2nd, but should I mention there were only 2 in the competition as most were playing Pennants

Sorry about the great "Balls Up" at Muirfield G.C. in December, with trees even blocking the roads and golf course after the massive overnight Storms left 40,000 homes without power and then the pro gave away our carts We pulled the plug on the game with 8 going back to Canterbury G.C. with a few of us went in search of a coffee shop open with power and lights still on, settling with Macca's at Parramatta

John Hunter, joined us for his first game with CHP RSL Golf, an A Grader and soon Sue Ramsay will join us also to swell Lady player numbers. Hope both will enjoy our company on Sunday mornings

Robert Rubbo stood up for the group when the Pro wanted to slot in two players in between our tee groups, to get a mouthful from the Pro but we maintained our slot around the course. Thanks Robert and we voiced our complaint with the Club Manager as well as the Pro later after the game,

Sifa Nagagelivu beat the field by 4 shots and has now lost 2.9 off his handicap for his effort and moves now into A Grade while the rest of us failed to break Par with the Course Rating of 34/35 pts and four players finishing on the 34 points. Stableford Points ranged from 40 to 20 today

While checking the cards there were 4 Birdies scored, 53 Par's with 55 Wipes with plenty of trees hit, some balls ended up in the creeks and more than a few travelled through the bunkers and you had to be considered unlucky if you had to play a shot out of the bunkers as many were staked and GUR

The Stableford winners were 1st Sifa Nacagelivu 40 s/b points, 2nd in 2 way/countback , 2nd George Liu 36pts in c/b, 3rd Joe Oriti also 36 pts, 4th to 7th in 4way c/b , 4th Eric Osman .

Our next round at Bankstown G.C. results are the seeding's for the Matchplay tournament that will start at Beverley Park G.C. the following game. Check if you can play all the games for the next few games so there are no walk overs
