Dunheved Golf Club

ROUND 22

After a long drive to the St Mary's area, we found the Dunheved G.C. in good nick & they had even had heavy rain from 7.00pm the previous night, no rain for us who live closer to the coast

We were glad for the overcast conditions for most of the game but when the sun broke through it was very hot, & the air conditioning in the car on the trip back home was working overtime to cool the car down, so we definitely avoided a bit of sunburn out on the course

The big contest for the day was whether Ron Williamson could peg back John Kottaridis's 14 shot lead in the run home for the Stableford Point Score trophy & John kept making enquiries on my progress throughout the duration of both his & my game. Both George Liu & myself tried to keep it a mystery from him, but John would check out the score cards while we were putting on the green while he headed off to the next tee. I pegged back three shots on the 1st nine but faded to finish with both on 39 points but he even beat me for 3rd place on the day in a count back, another trophy for John.

John (Scoop) Kottaridis was the ball retriever for both Wendy Donelan & Mal Tyler. John would retrieve their ball's where possible & locate extra's along the way, from those dams & creeks dotted around the course. We were glad that John was retrieving GOLF BALLS, not the type that George was referring to in his Presentation speech.

The crows were out today, but instead of flogging food or a sandwich from the cart, landed on my golf bag & tried to pinch my driver covers & finally got my putter cover, but dropped it beside the cart on the path. The crows would land on the cart roof & check out what they could flog

The winners of today's Stableford Event were 1st Bill Fonseca, 42 points, 2nd Sid Pelcz 41pts, 3rd John Kottaridis 39 pts in c/b, 4th Ron Williamson 39pts also, 5th George Liu 38pts. John Kottaridis was the scratch winner 79 strokes, 7 over Par, 28 points.

We have played our last Stableford game of the 2016 schedule with only our 2Ball Ambrose game left to round out the year. There is a criteria to play for the ½ hams available, with the winning 1st & 2nd teams receiving a ½ half each with 3rd placed team winning the scotch, with 4th & 5th teams winning vouchers.
