Beverley Park GC

ROUND 3

13 members, partners and friends of the Golf Club, had dinner on Frantic Friday, 8th Feb, in the Bistro before heading into the Auditorium to sing along and tap our feet to the "The Frocks", the Band that Rocks". 60's, 70's, 80's and current, room thumping non-stop energetic Rock. This was another free concert that the club puts on for its members. Most of us arrived at the club and observed the "Armageddon" type clouds gathering outside, then observed the spectacular thunder and lightning display from the safety of the club, as the torrential rain then flooded Sydney roads. Fionna Bruhns, coming after dinner for the show, had to use snorkel, goggles and flippers to arrive at the club as Bexley at the Wooli Creek Area, closed the road as it took the brunt on the Storm. Billy Fonseca won one of the \$50 Lucky Door Vouchers just making his night even better, although no photo this time with Tina Turner. Our next free concert is "Forever Diamond" Saturday evening, 9th March, at 8.30pm, see Joanne

While the ISPS Handa Matchplay was being played in Perth, 27 CHP RSL Golfers had its own Matchplay tournament with all matches played with great spirit. My match with Fionna Bruhns was proceeding nicely on the back nine, turning with me being 3 up, but then Fionna started to put her game together and won 5 of the last 9 holes and I had to resort to my voodoo doll or effigy of Fionna, sticking the pins into the doll for me to get home 2 up with Fionna still a chance to draw level on the last. My cart partner Joe Oriti beat Peter Deady 1 up and had a ding dong battle with Peter all day, as each one got into trouble on alternate holes. Joe lost one ball in the canal, when he clipped the trees on the 3rd, then his next shot hit a tree, travelled up & over the canal fence, so he conceded that hole, but Gary Pleasance on throwing Joe ball back over the canal fence with a girlie throw lobbed it into the canal.

Lesley Ricketts on home territory beat George Liu 2/1, Kathy Ferguson beat Mark McKenzie 9/7, Joanne Kinkead beat Gary Pleasance 1up, The rest of the field must be glad that the girls can't complete the Matchplay as they will be away, playing golf down the Murray River.

The remainder of the Matchplay results were John Liddell beat Eric Osman 4/3, John Kottaridis beat Craig Tomison 5/4, David Truran beat David DeMarchi 1 up, Sifa Nacagelivu beat Robert Rubbo 4/3, Rizwan Noor beat John Roach 1 up, Greg Parsell bet Laurie McMartin 1up, Bill Fonseca beat Denis Carruthers 5/4, James Yip beat John Hunter 5/4, Mal Tyler won with walkover.

Rizwan Noor's Longest Drive was out of this world as he launched it into the stratosphere, it took two good wacks from me to get passed his drive

The Stableford winners were 1st John Liddell 37 s/b points, 2nd Kottaridis 34pts, 3rd David Truran 33pts in c/b, Lesley Rickets also 33 pts, Sifa Nacagelivu also 33pts.
