

6 May 2018	Dunheved Golf Club	ROUND 8
------------	--------------------	---------

The fingers tingled and we needed to have our new club vests on as 24 of us found the morning got cooler as we arrived at the St Mary's/Dunheved area nearing the base of the Blue Mountains area

The Dunheved course was in good nick with lush fairways and greens and the scores of 46/45 stableford points on the shorter eastern seaboard courses were a distant thought as we move to the longer western region courses of the Sydney basin. No one bettered Par today with a pair of 35 pts winning the day We welcomed Joanne Kinkead and Craig Tomison to the B Grade ranks for today's round

The Stableford winners were 1<sup>st</sup> Sid Pelcz 35points in c/b, 2<sup>nd</sup> Greg Parsell also 35pts, 3<sup>rd</sup> Robert Rubbo 34pts in c/b, 4<sup>th</sup> George Liu also 34pts, 5<sup>th</sup> Sifa Nacagelivu 33 pts then 5 players on 32pts.

The 2Ball Best Ball competition run in conjunction with the Stableford Competition resulted in a 3 way countback with Robert Rubbo/Lesley Ricketts 43pts winning the two bottles of plonk each, with 2<sup>nd</sup> Greg Parsell /visitor Danny McMinimee also 43pts with 3<sup>rd</sup> Roger Harriman/ David DeMarchi also 43pts

Robert Rubbo who had to leave early, heading to Kogarah, had a good day with St George beating The Storm, running 3<sup>rd</sup> in the Event of the Day and winning a voucher and with Lesley Ricketts won the 2BBB and a couple of bottles of Red & White, was that the omen for the St George win

We celebrated a few birthdays of our members with a Butter Cake with Celery coloured icing, 28<sup>th</sup> April is my birthday along with my twin Glenn Watson 10 years younger, 5<sup>th</sup> May was Laurie McMartin's and Bill Fonseca birthday is 7<sup>th</sup> May, so we sang "Happy Birthday" and blew out the candles. Lucy Liu gave Uncle Ron a box of chocolates, oh , Lucy Liu is George & Veronia's little dog .

The waterways and dams, often concealed, laid in wait for a wayward golf ball that headed for doom, but Laurie McMartin could be considered unlucky on the 18<sup>th</sup> when a butterfly attempted to land on his ball 3/4 of the way through his shot as we saw the resulted splash. As Eric Osman laughed Laurie reminded Eric of his excuse of a shot of his, was because he got the hiccups midway through a shot.

New comer, Kathy Ferguson was again a ball winner, with a C Grade Longest Drive down the fairway, following up the NTP at Bexley C.C and is a big improver taking some golfing tips from Laurie McMartin and Eric Osman, not much taking tips from me as I have enough trouble with my game
