CODE OF PRACTICE

The following Code of Practice and Student Handbook, which has been developed and endorsed by the staff and management of the Club, provides a framework for the delivery and assessment of training at CHPRSL.

The Code of Practice and Student Handbook are:

1. designed to ensure that all stakeholders are aware of their rights and responsibilities when undertaking courses delivered by CHPRSL.
2. available to all participants enrolled in courses and qualifications delivered under the Australian Qualification Framework
3. available to all staff employed in the administration and delivery of training on behalf of CHPRSL.

PLEASE take the time to read these documents so that you maximize your learning experience.

INTRODUCTION

The Club was approved as a Registered Training Organisation (No 6871) in accordance with the national guidelines of the Australian Quality Training Framework (www.training.com.au) and the NSW Vocational Education and Training Board (VETAB) under the provisions of the requirements of the NSW Vocational Education and Training Act 2005. The objectives of the Act are to provide:

- (a) accreditation of vocational courses conducted within New South Wales;
- (b) registration of people and organisations that conduct vocational courses;
- (c) approval of people and organisations (other than official universities) that provide courses to overseas students within New South Wales;
- (d) promotion of consistency of standards in vocational education and training; and
- (e) encouragement of the recognition of vocational courses that are accredited under the Act.

CHPRSL Registered Training Organisation (RTO) is registered to deliver the following qualifications and individual units within those qualifications:

Certificate II in Hospitality (Operations) (THH21802)
Certificate III in Hospitality (Operations) (33002)
Certificate IV in Business (Front Line Management) BSB41001

Whilst CHPRSL has only been an RTO since 1999 it's prime role is as an operating Registered Club and it has been providing high quality service to members and guests since 1947.

OUR VALUES

The following are the values of the Club and RTO –

Teamwork -	We selflessly help each other out
Integrity -	We take ownership for all our actions
Excellence -	We strive for excellence in all that we do
Respect -	We treat everyone with fairness and respect

OUR COMMITMENT

ADMINISTRATION

We undertake to operate:

- in accordance with the Club's policies and procedures as well as those that specifically address the operations of the RTO.
- within the requirements of the national standards for AQTF and the protocols for issuing qualifications under the Australian Qualification Framework (AQF) including mutual recognition of qualifications and statements of attainment issued by other RTOs under the AQF.

We undertake to provide:

- appropriate security and confidentiality of all records and personal details that may be held in relation to courses that we have delivered.
- continuous monitoring and reviewing of business plan strategies that act as the foundation for our delivery of quality training and assessment.
- the opportunity for Training and Administrative staff to be involved in the review of achievements and the setting of strategic directions

STAFF AND CONTRACTORS

We undertake to ensure that Training Instructors, Assessors and Administrative Staff are:

- appropriately qualified and experienced to meet the requirements of the Job Specification
- screened in accordance with the requirements of the Child Protection (prohibited Employment) Act 1998
- compliant with the Access and Equity principles and requirements for each course of their duties
- maintaining and updating their skills and technical knowledge through participation in skill and knowledge development programs

We undertake to ensure that Training Instructors, and Assessors:

- have Certificate IV in Assessment and Workplace Training
- have industry experience supported by academic qualifications
- deliver learning and assessment outcomes that are relevant to current industry standards and against which there is a valid and transparent assessment process.

MISCELLANEOUS

We undertake to:

- ensure that we maintain a safe workplace and learning environment
- ensure that assistance and learning support is made available to all students on all courses
- provide a flexible approach to the conduct of learning and assessments in order to meet the varying needs of students
- honor all guarantees that are outlined in this code of practice

COURSES

INFORMATION AND ACCESS

We undertake to:

- provide participants with suitable and sufficient information regarding courses prior to enrolment thus enabling them to make informed decisions about course enrollment.
- provide student workbooks for all courses delivered, which will include learning and assessment strategies
- supply, for each accredited course offered, details of admission requirements, course content and outcomes, fees structure and an official receipt on payment of course fees, where fees are charged for the training or assessment
- ensure that all course participants complete and sign an “Application for Enrollment” form acknowledging their understanding of our *Privacy* and *Cancellation and Refund* policies
- offer places on courses in accordance to government legislation relating to *Access and Equal Opportunity* and *Anti-discrimination*

RECOGNITION OF PRIOR LEARNING (RPL)

We undertake to:

- provide accredited course participants the opportunity to apply for RPL using an informative *RPL Guide and Kit* which outlines the RPL process and advice on presenting supporting documentation
- immediately advise participants of outcomes of RPL applications and where applicable adjust their course schedule and units of study
- provide credit transfers for certificates or statements of attainment for units already completed through the mutual recognition of qualifications issued under the Australian Qualification Framework (AQF)

MISCELLANEOUS

We undertake to:

- provide accredited courses and an appropriate course schedule that will maintain the integrity and financial viability of the RTO
- provide participants with a degree of flexibility in their selection and timing of accredited courses
- allocate trainers to courses/classes based on qualifications and industry experience
- provide class sizes that will enhance participants learning and assessment outcomes process
- market our accredited training clearly and accurately, reflecting the AQTF and VETAB guidelines for marketing of Nationally Recognised Training Programs.

EDUCATION STANDARDS

GENERAL

We undertake to:

- implement AQTF standards in all RTO policies and procedures. The standards are intended to safeguard the interests of participants by maintaining a consistent quality in program delivery and assist in improving the quality and content of our programs to meet the changing needs of our industry.

AQTF HANDBOOK – CODE OF PRACTICE

- maximise access to all individuals and groups of learners to the delivery and assessment of courses and programs whilst maintaining the integrity of the learning and assessment criteria of the program as well as operational and financial constraints.

CONTINUOUS IMPROVEMENT

We undertake to:

- implement an effective process for internal monitoring and review of our programs and processes as required under AQTF standards.
- continually monitor the quality and relevance of our programs by obtaining feedback from participants, employers and industry contacts.
- act on the feedback and information provided to constructively improve our programs as part of a continuing process to ensure the quality and relevance of the training that we offer.
- maintain effective contact with industry organisations and employers and to obtain their feedback on our programs to maintain the currency and relevance of the information addressed in the programs offered.

PHYSICAL RESOURCES

We undertake to:

- provide resources suitable for the valid delivery and assessment of all courses and to administer these in an open and flexible manner.
- maintain all relevant training resources in good order.
- provide a safe working and training environment as required under current OH&S legislation in order to safeguard the welfare and safety of all stakeholders.

QUALIFICATIONS

We undertake to:

- issue Qualifications and/or Statements of Attainment to all course participants based on their successful completion of all assessment criteria. Statements of Attainment will only be issued for whole units of competency achieved, according to the standards set down under AQTF and the protocols required by AQF.

ASSESSMENT

GENERAL

We undertake to:

- conduct all assessments in accordance with the requirements for the recognition of competence in the relevant Training Package and meet the standards set down under the Australian Quality Training Framework (AQTF)
- make competency based assessment available to all applicants who meet the requirements of course attendance.
- provide appropriate and varied assessment tools to assess course/program competencies
- use appropriate assessment tools to assess specific competencies and allow participants to achieve unit/course outcomes required whilst addressing the special needs of individuals where indicated
- provide appropriate assessment tools that will allow all participants, especially those with special needs, to achieve unit/course outcomes

- Use appropriate assessment tools to assess the specific competencies and to allow participants to achieve unit/course outcomes required whilst addressing the special needs of individuals where indicated.
- To conduct and process assessments and issue certificates promptly so as to meet the needs of our participants.

GRIEVANCES AND APPEALS

We undertake to:

- provide all participants with information on their rights and the process for appealing assessment decisions or lodging a grievance or complaint.
- make available and facilitate the resolution of any participant's grievance or appeal in meeting the standards required under the AQTF framework, whilst maintaining the integrity of the learning and assessment requirements for the courses undertaken.

PRIVACY

Canterbury Hurlstone Park RSL Club is subject to the provisions of the Privacy Act 1988. The personal information provided by you on this application form will be used to process your application for enrollment into the training program(s) specified on the front of this form. Failure to sign or not complete all the information required may result in your application being unsuccessful.

Canterbury Hurlstone Park RSL Club (CHPRSL) is a Registered Training Organisation (No 6871) and under the Australian Quality Training Framework (AQTF), introduced on the 1st of January 2002, we are required to maintain a record of all participants on all our training programs for a period of thirty (30) years. There is also an obligation under the AQTF to ensure that such records are adequately secured whether they are kept as a written document or kept as a soft copy within a computerized system of record keeping.

The information provided on your application for enrolment form can only be used to enroll you in your chosen course and may not be used for any other purpose. If your personal details are required to be disclosed to any third party you would need to be advised prior to that disclosure and only if your written permission was obtained.
