Club Member of the Year

2015

Last night , Saturday 10th September, was the CHP RSL Club Members of the Year Awards and the Golf Club nominee was your Captain , George Liu and 20 members and partners were on hand to celebrate with George and Veronica, as George received his award on stage from the CHP RSL President , John Crowhurst.

**The overall winner for the Club Member of the year was the Youth Club Nominee.**

The auditorium looked a treat with the room setting being topped off with table decorations of a vase containing red orchids in water, topped off with a floating candle with photos attached. Kelly from the CHP RSL Catering Team again coming up with idea, after her Archie White Challenge of the water bowls of golf balls with a floating lily.

The room also had the "East" Asian station decorated with a big brass gong and a red cart with fans etc and the "West" Cavary station had a windmill, bales of hay, and a timber fence with a kerosine lamp and saddle on the fence. I couldn't convince George to have a photo with him sitting on the saddle, as our little "Aussie Battler" was all dressed up in his glad rags, sorry suit and tie, not the look of a roust-about.

The food for the night was provide from two buffet stations of "East meets West" with Asian food and a carvary & salads sections with plenty of variety to cater for our many and varied tastes. The desserts of mini pav's, black forest , cheese & mud cakes cake, and the fresh cream was to die for.

With the presentations over, the entertainment was provided by the band "Radio City Music Hall" starting with the covers of Fleetwood Mac through to Micheal Jackson. The starting of the music was a trigger for the zimmer frame members to head off home with the hardened stayers rocking away to the beat. While others danced off the dinner and desserts on the dance floor.

Joanne Deady took up the beat and tapped away with her impersonation of Ringo Starr with the chopsticks provided for the Entree, with a few of us strummed away on our air guitars.

The consensus was that the CHP RSL should book this band again, as we had a great evening with all the food, drink, fun and entertainment for \$30 with the other Golf Club members and partners and once again congratulate George Liu, our Golf Club nominee.
