# Happy NEW Year Renovations!

As we plan for the new year ahead, we reflect on the Club achievements in 2022-2023, improving the vibrancy of your Club and the variety in our food and beverage offers.

In November 2022 we welcomed the Wok Stars team with a new asian eatery, and in May 2023 we reopened our newly renovated HiVE Bar & Bistro. Here we share with you the next stage of our Club renovations to take place in 2024!

**We are modernising the Club's Foyer** creating a fresh and welcoming environment and elevating your entry experience.

**The Park is being totally transformed** to provide a variety of environments throughout the space to better cater for you to eat, drink, watch or play!

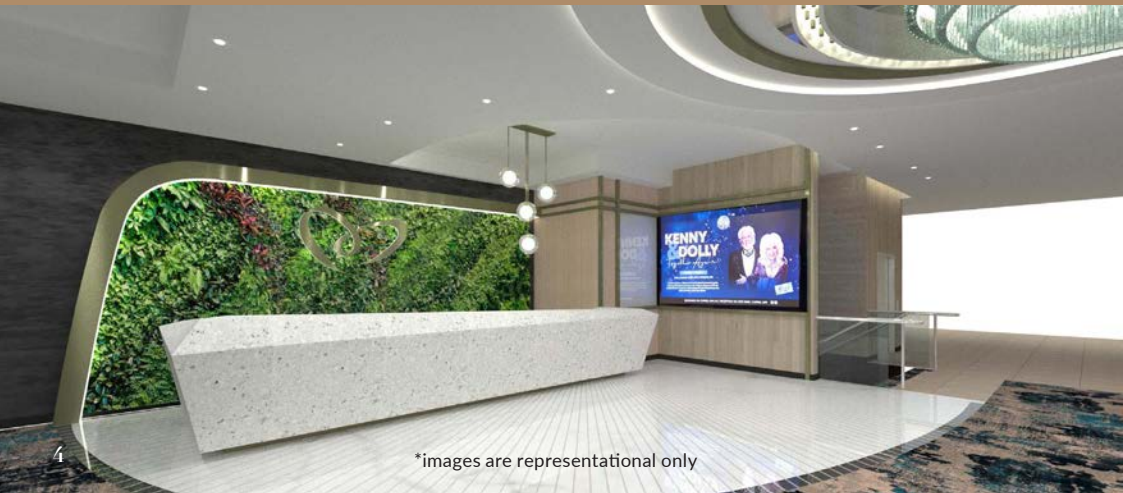

## Welcome to your NEW Club Foyer

### FOYER REFRESH

- contemporary styling
- new guest services desk & podium
- elegant lighting with ceiling feature
- refurbishment of the flooring and walls

The refresh will create minimal disruption, with works taking place one side at a time, and all of our guest services being upheld.

Works commence 29 January - estimated 12 weeks to completion

## Whats happening in The Park?

### SPORTS BAR REVAMP

- a new furniture plan that will offer a variety of seating formats to suit any occasion including booths for intimate gatherings
- upgraded lighting design to brighten the space day & night
- fresh new botanical styling elements
- split screen LED wall, and multiple screens throughout the spaces, including the TAB
- refurbishment of flooring and walls
- upstyled bathrooms including private ladies cubicles with vanity

Whilst The Park is being revamped, it's 'business as usual' with all the action in our pop up Sports Bar in The Arena!
