CHP RSL MEMBERS  
CHRISTMAS CABERET

2015

**Saturday, 28th November CHP RSL MEMBERS CHRISTMAS CABARET**

The Golf Club table had 28 members, wives, partners and friends having a great social night of fabulous food, entertainment and dancing. Our new members, Sid Pelcz, James Yip and Wayne Dainty attended with their wives and there were three of our members, sitting at other sub-club tables. Sorry we had to turn away another four, as we had sold our allocated tickets plus a few more weeks ago.

It was encouraging to have new people attending these functions, where we came together and enjoyed the entertainment of the man with many and varied voices, Keith Scott, the comical voice-over man and then the songs of the 1970's with John Paul Young. His songs of "I Hate the Music" didn't have us hating his music and you could see there was "Love is in the Air" from the reaction of the dancing on the floor and also near the tables but not on the tables, as per last year when we had "Freddie Mercury" in the Queen tribute hop up on our table and sing

Coffee after the show, and at 12.30am our carriage was about to turn into a pumpkin drawn by mice, so it was time for Cinderella to head for home but there was no glass slipper left behind, just a few empty cappuccino cups.
