St Michaels GC

Heartbeat of Football Golf Day

80 players Charity Day Shotgun Start Warm sunny Day

The CHP RSL asked the CHP RSL Golf to represent the parent club at the Charity Golf Day and Ron Williamson, Joanne Kinkead, George Liu and Peter Deady formed the team for a 4Ball Ambrose Event.

From the start the organisers made special mention that the CHP RSL was a generous supporter of the Foundation that provide Cardiac Defibrillators to Sporting Field and premises and reiterated the support at the Presentation after the game.

We hit off in the 2nd group off the 15th tee, and many of the later tee shots were 150metres over the scrub and mulga, many golf balls disappearing into bush, possibly re-discovered at a later date by the little man sell recovered balls.

Joanne Kinkead hitting off the Reds, nearly pull-off the Longest Drive going within 4 metres of the All comers Drive but her long putts keep our final score 2 under par. This was still no- where near the 1st and 2nd place getters on the day. We shot 2 under par, nett $57 \frac{1}{4}$ where they had $51 \frac{1}{2}$ and $51 \frac{3}{4}$ so must of shot 18 under par.

We lost our way to our last hole the 14th, which had us a long way off track and eventually had to reverse 50metres out of trouble, because the carts wouldn't let us drive forward, so we finished with a lots of smiles and laughter.

A crow pilfered a packet of Salt and Vinegar chips from the console of the golf cart and was last seen hopping off through the bush with the pink packet in its beak.

The Bearded One
