Hurstville GC

ROUND 13

21 Players lined up at Hurstville G.C. for our game around the Peakhurst site, George started off our 1st group which included a visitor, known only as Steve, David DeMarchi's mate, welcome Steve with a mystery name, his score card recorded 106.

We were down a few players after playing the Archie White Memorial Challenge at Antill Park Country G.C. where our team won The Archie" by a small margin, from Bargo Sports and the Staff/ Director's Team which included several of CHP RSL Golfer. Thank you for all who participated in playing and also to Joanne Kinkead and Gary Pleasance who drove to Bargo Sports and sold raffle tickets on the day.

The scoring was close except our winner, Craig Tomison who scored 39 points being 6 points over the course rating and lost 2.3 points from his handicap for his next games and championships which will take place over the next few months.

The Hurstville G.C. was obvious standing on the 17th fairway checking on our groups, possibly putting our groups on the clock.

A few trees were left with a few extra dints after our round was completed. The 16th caused me and Lesley Ricketts trouble, with my tee shot bouncing off the slope of the green stopping on the edge of the hazard, my shot onto the green went up the slope of the green, right across the green and came to rest on the new path, my partners then said "you won't like this" as the ball then started to roll down the path about 25metres just as Lesley was attempting to hit onto the green. The result was with similarity of a St George drop-out with Hunt and Vaughan jumping over the ball, and Lesley having a ball arriving at her feet. Both of us ending with a wipe.

The BBQ this time round was not as elaborate as the prawns, etc at The Ridge G.C. but we did upset the Pro when we didn't use the baking paper he wanted us to use to protect the newish hot plate. They were also upset that we took the beer, instead of buying them from the licenced Pro-shop. The bread rolls purchased from Narwee Bead Shop for the 2nd year in a row got a good report

The Stableford winners were 1st Craig Tomison 39 s/b points, 2nd Peter Deady 37pts, 3rd Sifa Nacagelivu 38 s/b points, 4th Bill Fonseca 35s/b pts in c/b , 5th Little Denis Carruthers also 35pts , 6th Robert Rubbo, Mark McKenzie and Michael Doan all on 33 s/b points
