Dunheved Golf Club

Round 18

The 3rd & Final Round of the Club Championships and 25 hit off with drop outs, for this week and previous weeks leaving only 3 contesting "A" & "C" Grades and "B" Grade had 8 golfers in the contest for three games that make up the CHP RSL Golf Championships.

Peter Deady was on time again, in fact before time, had him hitting off mid field with John Kottaridis. Thanks again for getting a lift with Laurie McMartin. Every-one followed the travel instructions to arrive on time, except for Rob McDougall who missed the Links Rd turn off but arrived before the last groups hit off. Wayne Dainty was stopped by the booze bus, so was held up on route when leaving Parramatta Rd, to get on the M4. We passed through a few patches of fog on the way, but the clouds soon dissipated and we had a sunny day and needed 30 +plus sunblock and a hat.

The tee grouping of the players today had no runaway groups with each group keeping up with the groups in front thus no complaints about slow play. The Championships are now over for this year, so your committee is now preparing for the Golf Club Presentation, 13th Dec & with only a few Trophies to be finalised. We've got our eye out looking for our Biggest Burglar but with George Liu's efforts today with his run-away win and NTP tallies which he shared with Jackie Chan, Bruce Lee & Whan Hung Lo has been bought well into contention although a bit contentious or is that Confucius.

George Liu can even play trick shots which my group witnessed where George's hit one, on one of the last few holes, hit a tree on the right hand side of the fairway which cannoned off a large tree and flew across the fairway to the left hand side of fairway, (remembering how wide most fairway were) and started pin balling around off several trees (without causing the tilt light to be activated) then spat out the golf ball on the edge of the fairway, with Dave DiMarchi pointing out where the ball landed.

The dams and water popped up when you least expected a hazard, so a few balls ended up with watery graves, while other shots pulled up miraculously short of the hazard. The bunkers had magnetic attraction towards them today and took several prisoners but it was good practice. While watching the President's Cup, the pro's have no fear in bunkers, but we fear getting into bunkers

The winners of Stroke Event today was 1st George Liu 89 nett 61, (welcome to your new handicap), 2nd Troy Wilks 89 nett 66, 3rd Ron Williamson 93 nett 67, 4th Jim Urquhart 81nett 68 in count-back from 5th Robert Rubbo 91 nett 68 . The Scratch winner was John Kottaridis c/b from Jim Urquhart.

The Bradman, was again won by a committee member, this time Laurie McMartin with a nett 89 which was a very distant nett 28 strokes behind the leader George.
