Dunheved Golf Club

ROUND 18

21 Players arrived at this course way out West in dribs and drabs, as most had under estimated the time taken to drive to the course, even longer if you didn't want to pay the toll & take the Toll Road M4

The big hitters won the day on the longer course with Big Dave, Robert Rubbo & Keith Johnson filling the first three places but was followed closely by Joanne Kinkead with her hitting straight down the middle on the wide fairways, which was surprisingly appeared well watered, not like a game recently at Macarther Grange G.C which just sprayed the fairways with green paint. Looked good from a far.

Putting was the downfall for a few of us today with the green's fluffy and slow so there were a few three and four putts on the score cards.

Last week, the CHP RSL asked us to represent the club at Stonecutters Ridge C.G. for the SES Charity Day and while on the course George Liu asked me the check out the distance to the green. Kangaroos roam the course and on the sprinkler head was two kangaroo poos, so I conveyed to George that we were 122metres and two turds(122 2/3) to the green to crack us all up. Didn't come within a bulls roar to the lead with the winning score of 61 off the stick (11 under par),we finished Even on the day. Joanne Kinkead won the Ladies Longest Drive and one of the raffles

George & myself have addressed the slow play situation but George may have taken it a bit too far by hitting over Wendy Donelan a few times & I was raking the bunker before getting my chance to putt on one occasion when George hit onto the green. David DeMarchi hit Greg Parsell from 120m out

The trees were trimmed back & cleared underneath, so giving most at least an escape route back to the faiway. The dense hedge on the 3rd Dog Leg with big thorns took many prisoner today, when trying to recover your ball, the unsuspecting retrievers would be snared in Briar Rabbit's lair. Greg Parsell & Laurie McMartin felt the wrath of the vines, coming away with some big gashes on legs etc

The winners of the were 1st David DeMarchi 40 S/b pts, 2nd Robert Rubbo 39 S/b pts, 3rd Keith Johnson 38S/b pts, 4th Joanne Kinkead 37 S/b pts, 5th Sid Pelcz in 3 way c/b 36pts from 6th George Liu & 7th Joe Oriti also 36 S/b points.
