WOOLOOWARE GC

ROUND 1

The first game of the year and we had 26 players line up, with Arky Niuqila, a friend of Sifa, join us today, as well as David DeMarchi, David Truran and Joanne Kinkead, re-joining after sometime, so it was good to have you all back.

Usually at this time of the years, we have to check our shoes to see if any spiders have taken up residence in our shoes, wipe up the cobwebs, but this year you had to dust off the ash and make sure that any Koalas hadn't changed habitat and sort refuge in the garage.

Rain for 3 days before a game at Woollooware G.C. was not unusual but not an East Coast Low this year, although I did give the course a call at 6.00am but only got the Saturday recorded message, with only Peter Deady pulling out on Saturday, we even had Fair-weather player Craig Tomison arrive, a little late but in front of John Kottaridis.

John Hunter won the day as well as winning all the NTP's, Drive & 2nd and Longest Drive in A Grade and is considering of getting a stamp made up because his hand was getting sore from writing his name on all the pins. B Grade shared the pin around where Joanne Kinkead has lost nothing in her hiatus of not playing for over six months; it all comes back like riding a bike.

Bill Fonseca had a shocker, finding trees and trouble all day, finding B Grade a bit harder than C Grade and James Yip first few drives ended up at the base of trees, having to hit backward to get out of trouble.

I had to leave the Presentation early as my Grandchildren were coming up to Sydney for the School holidays, but I Presented our Chinese/Aussie Battler Captain George a little Red Container of biscuits for the Year of the Rat for Chinese New Year. I was going to give him a mouse trap to eradicate any mice, but thought better of it.

The \$2 Lucky card was won by Gary Pleasance to a crescendo of Boo's as Gary sells the card, until Gary donated his winnings to the Bushfire Relief Fund behind the bar

The Stableford winners were 1st John Hunter 39 s/b points, 2nd Roger Harriman 38pts, 3rd Michael Doan 35pts in c/b, 4th Joe Oriti also 35 pts, 5th Chris Gioumidis 34pts.

Our next game is at Bardwell Valley G.C.
