Carnarvon GC

ROUND 20

“Vow and Declare” No#23 won the Melbourne Cup and Joanne Kinkead organised 8 ladies for the function at the CHP RSL. For the past 15 years, the CHP RSL Golf Club has always had the company of at least one lady playing with the group. This included Mary-Lu Harriman, Anna Oriti, Kyle Tyler, Melanie Thomas, Edith McVicker, Lorraine McDougall, and more recently Joanne Kinkead, Lesley Ricketts, Wendy Donelan, Kathy Ferguson and Fionna Bruhns. At the end of last year we had 9 ladies on the books as members. Today the boys had it all to ourselves as not one lady played. Didn't notice any up-surge in swearing but ladies come back soon as you complete our group.

We had 20 line up with the end of our programme coming ever closer to the Hams/Ambrose last day before the Golf Club Christmas Party on the 8th December, missing a few at Merimbula, holidays and OS. Chris Gioumidis had an exciting excuse for withdrawing during the week as his wife had a little boy. I brought along a card for the golf club members to write on and get Michael Doan to give to Chris and his wife to celebrate the arrival of their little boy.

No one broke Par today, with Sifa Nicagelivu winning on 36 points, The rundown was extended to everyone as there was 11 empty spots on the NTP list, so even George Liu who finished last on 17 pts received a competition ball for his lack of effort around Carnarvon G.C. There were some outstanding shots played by John Liddell with his 3 iron, but he used his new driver to smoke the Longest Drive for A Grade. Novica Perendic possibly drove his effort for the longest distance on the day when he drove the 13th hole, his ball rose up over the trees guarding Joseph Rd, and was last seen by Michael Doan heading north down the bitumen dual road on the way to Lidcombe, no cars hit thank goodness.

How many of us three putted the occasional green, me more than a few times, with our last, 9th green taking toll on Miguel Viera, four putting from 1metre. I feel his pain. Michael Doan was for the fourth game in a row on the podium, with calls to slash his handicap even further, by Roger Harriman who has been on the podium a few times lately himself. Michael is definitely a major candidate for the “Biggest Burglar” trophy at our Presentation/Christmas Party.

If you have played with Peter Deady lately, he was using half a bread clip, so we gave him a year's supply or two year's if he breaks them in half. John Roach and Denis Carruthers won the \$2 card, Denis donating again his \$25 back to the charity

The Event of the Day winners were 1st Sifa Nacagelivu 36 s/b pts, 2nd Michael Doan 35pts, 3rd Roger Harriman 34 pts in c/b, 4th Miguel Vieira 33 pts, 5th Sid Pelcz 32 pts, with a further five on 31pts
