

15 OCTOBER 2017	Woolooware Golf Club	ROUND 5A
-----------------	----------------------	----------

With trepidation we waited for the news if it was going pour down on the weekend, and while I was up in the Northern Beaches on Saturday to see my brand new granddaughter, it was raining heavily but not a drop in the Shire. We rescheduled this game after three years of cancelations because the East Coast Low rain but we could only put together a very small field of 15 players for the day.

We welcomed a new member, John Roach to the group and look forward to John joining us at Massey Park G.C. and beyond. John is a good solid golfer, and took home two balls in the A Grade Drive & 2nd and Longest Drive while playing for his 3 cards for his handicap, stopping another John from taking home another two balls

The course was in good nick but the holes were placed in some diabolical positions, where scaffolding was nearly required for safety reasons, when approaching the cup because of the massive slopes where the sadistic greenkeepers had positioned each hole. On the 18th tee we found out that the course was set up for the Endeavour Shield Junior Pennants. There were a few holes that used the trick of spraying sections with green paint to enhance the sight aspect of the course.

I have to correct information above Dave DeMarchi hitting Greg Parsell at Dunheved G.C. We found out it was Dave was the "hittee" not the "hitter." Well he does make a good target and at times Greg stood ahead of David at times today, but David had trouble hitting anything maybe if Greg stood in the creeks or trees he may have been in trouble. Dave decided to pull up stumps & go home after the 9th, but he was at the furthest point from the club house & needed a compass to find the clubhouse. Roger Harriman was glad that Dave was having a bad day, as he would of come away with the Bradman.

Thought I had my 2nd Hole-in-One on the 16th today, as my shot over the dam landed and bounced twice and was running true to the flag stick, but instead of dropping in the cup , hit the base of the flag stick & bounced away leaving an easy birdie. "Missed by that much !!!" as Maxwell Smart would say

Craig Tomison had a good day 38 s/b points, but not good enough Joe Oriti started well with 21 points on the front nine but faded with 16 points on the way home. Sid Pelcz once again finished in the first 5 to complete his good run of placing in CHP RS Golf. The putting ruined plenty of good scores today

The winners were 1st Ron Williamson 39 S/b pts, 2nd Craig Tomison 38 S/b pts, 3rd Joe Oriti 37 pts, 4th Peter Dedy 35s/b pts on c/b, 5th Sid Pelcz also 35 s/bpts.

Next Game is Massey Park G..C 22nd October,2017 at 7.42am Ian Parade, Concord.
