ROUND 6

Round 4 Semi-final MATCHPLAY & STABLEFORD

Do-doot-do-do !! Do-doot-do-do !! The 1st Canterbury Crackers Comedy Show was heralded in during the break from golf. 12 of us took up the offer of free tickets, that the CHP RSL provided to the Golf Club to attend the show on Friday, 29th March in the Heritage Room for a good belly laugh, a little bawdy but a great night out. Sam McCool was our MC and Emma Zammit and Garry Who, kept us in stitches.

The Golf Club Footy Tipping is up and running with Sid Pelcz playing his joker in the 2nd Round and getting a full card of 8 from 8 and getting bonus points but brought back to earth with 2 from 8 in Rd3 along with George Liu and Laurie McMartin even Hit & Miss (Fionna) and Kathy did better. Bit of Fun

John Liddell and John Roach along with John Kottaridis and Mal Tyler deciding it was a bit wet, at Woodville GC. on Wet Sunday 17th March so completed their Matchplay during the next week with the news filtering through that "John won!", so it was a few enquiries as to "which John"?, L or R. John Liddell 2 up and John Kottaridis leading with Mal conceding when John K 4 up after 7, over at the 12th

With four of our members heading to the Murray to play a week of golf, we still had 26 players hitting off at Cabramatta. Three new members hitting off with the CHP RSL Golf group today. Sue Ramsay, Michael Doan, and Novica Perendic joined us today and welcome

Today, there was a prize to be won for a Hole-in-One on the 14th, either a Red Hot Wheels miniature car or a Red Chopper Motorbike cutter value all of \$2.75 including GST for a bit of a novelty, after seeing one of the Ladies win a Ute in at LPGA tournament last week, so why not us!. No-one came close but it did come down to a measure off between Michael Doan and Robert Rubbo shot to the green. We gave the car to the closest of the three grades with new guy Michael Doan the owner of a new very little model car for his kids

Joe Oriti shut out Sifa Nacagelivu in their Matchplay game and won 4/3 with Joe shooting 42 s/b points and will have a reduced handicap for his Matchplay Final against John Liddell who prevailed over John Kottaridis 3/2, so the Final at Fox Hills will be between John Liddell and Joe Oriti.. To both,,play well !!! But Joe you have lost 3.6 off your handicap courtesy of today's win

There were some big shots today, I put one over the fence and onto the school playing fields 4th that will be collected by the kids on Monday, and then put a ball onto the roof of the maintenance shed, as we heard it bouncing it's way across the large roof probably ending up in the gutter. New comer Novia had trouble with the Croatian colours on all the flags on the greens and we await the Serbian/Croatian clash when Big Dave returns. Novia has the "Grip it and Rip it" theory and can launch the ball when making full contact but even Robert Rubbo cleared our heads on the 17th with a massive hit down the fairway, well over our heads while waiting to hit onto 17th green.

The other Social group in front of us left us with 3 groups waiting on the 10th tee, but the massive earthworks could of led to some of the holdup, thus making for a slower than normal game

George talks about the heart and **Sole** of the CHP RSL Golf Club.

At the Presentation we collected more money from the \$2 card for the Community Chest with Michael Bougoukas winning the \$25 and we sold half a card and we will sell the rest next game. I collected the money for the Footy tipping Comp and money for the ANZAC CABARET not the Anzac Parade that George refered to the event

The little Red Car will be presented to Michael Doan at Fox Hills G.C. but the Motor Bike lives for another day as no Hole-in-One.

The Stableford winners were 1st Joe Oriti 42 s/b points, 2nd Bill Fonseca 39pts in c/b, 3rd Eric Osman also 39pts, 4th in 2 way/ c/b, Ellen van Dam 36 pts in c/b, 5th Keith Johnson also 36pts.
