

28 April

Fox Hills GC

ROUND 7

15 of us attended the ANZAC Cabaret on Saturday, 13th April when we were entertained by the funny Frankie J Holden and Wilbur Wilde, "Back on the Prowl" for a great night of Rock and Roll from OL'55 and lots more. The food was a step up from normal with the Prawn Penne to die for and the dessert of Apple Tarte Tatin had you wanting to lick the plate clean. George was excited when I took along chop sticks, not for rice, but for Joanne Deady to lay down the drumming beat to accompany the band.

On Thursday, 17th April, a few members attended the 2nd Comedy Capers show in the Heritage Room for a bit of a laugh. I was in the Heritage Room Kitchen earlier on that day watching my grandchildren make hot cross buns as part of the Kids School Holiday Programme that the CHP RSL provide.

Easter Break over so hope you didn't eat too many eggs or chocolate. Now it's back to every 2 weeks or so for golf or is it, with Mother's Day coming soon. Don't forget to buy her flowers or an **Iphone**, **Ipad** or **I-ron** for mum. Lots have happened since our last game of golf with the CHP RSL Golf group, next was ANZAC Day which a few got up early and attended the Dawn Service at the Bert Crook Memorial Area in the carpark followed by the Gunfire breakfast then Two-up in the Auditorium "Come in Spinner."

The one of the best tipster in our Footy tipping comp who hasn't played their joker is "Hitandmiss" alias Fionna Bruhns who is positioned close behind 1st Myself and 2nd Greg Parsell but Fionna, while George picks who will lose each game and is languishing dead motherless last, sorry George played the joker and moved to 2nd last on the table on Sunday, picking 5 from 8, his best round so far

With the announcements over, not quite, it was the Club's triplet's birthday yesterday, Ron turned 70, Glenn 60 and his wife Sonia 55, both tripping around NZ, all having Birthdays on the 28th April. Thanks for the rendition of Happy Birthday Guys when I got in the club house.

Now for a bit of golf, 21 players arrived on a cool morning, seeing low mist on the golf course but it had cleared by the time we hit off. As was the case last year we could get extra carts for our cripples and we changed the teams around to suit the cart situation for our Golden Ball Teams Event, well Orange Ball for a bit of fun, "don't lose the Golden Ball", said under your breath before hit off. We now know it was the not the Teddy Bear's Picnic but the Convention Day for Crows when the Bloody Pesky, Black Birds took more than centre stage by taking all and a few more of our bright shiny Orange Golden Balls, at least 10, even more when you take into account for the replacement substituted white golf ball as well. May be we should of called the day Stolen Ball not Golden Ball, but teams of crows had a field day and could be seen flying off to their lairs with our golf ball in their beaks. Our teams just merely carried on counting our score card, all except one team who declare the game null and void. So the wine didn't go off and we will play again next game at Dunheved C.C but if a bird, any bird, be it a crow, eagle or a pelican (who have great capacity to hold many golf balls in its beak) or even a goanna takes your team's Golden Ball just put down a replacement and carry on scoring, as I'm sure what occurred with your individual score yesterday.

The Matchplay Final between John Liddell and Joe Oriti went down to the last hole when John won 2 up. We know which

“John” won this time. It was noted that John Crowhurst and Lee Fitzgerald took note at the CHP RSL, not sure if it was announced over the general announcements for the assembled congregation at the club, but congratulations and well done to overcome giving Joe 16 shots, one on

each hole except the 1st and 17th. President Ron had a photo congratulating John but as I only came back from Lake Tabourie the night before I didn't get the Trophy from cabinet but I'll get it for a Kodak moment at Dunheved next game
