ROUND 8

This was our 2nd try at Golden Ball Team's Event after the crows played havoc at Fox Hills G.C, with their display of snatch and grab on the day. A change of coloured ball today, lemon coloured, none absconded but still the cousins of the Fox Hill Bandits took to hopping in the carts to search for food, etc, even had a few goes at trying to open Denis Carruthers clear water bottle

We had 27 players, a little of disruption with our groups hitting off both tees, with heaps of Social Clubs and members playing in the warm weather, we were just getting practice for the Archie White Challenge off both tees , later in the year. There's a new Archie on the scene hogging all the limelight at the moment in England.

We had a few new faces today, welcome Ken Yip, son of James, along with Micheal Doan soccer friends, Novica Perendic back again along with Miguel Viera and Chris Gioumidis first games. Let's see what George comes up with their sudo names over the next few games, we know what George has already called "Nov" already at the Presentations. We knew none of our girls played today, by George's story on ginger. Sid Pelcz turned 21 again today as it was his birthday

Thank you for your concern for Joanne Kinhead's well-fair after her recent operation, and all wished her a speedy recovery. It will be some time before she will get a doctor's clearance to play

The game was very slow today, nothing to do with either of our group's tardiness as the Social group in front of us didn't break any speed limits in travelling around the course, at least we kept calling up the group behind us.

We set out with each tee group having a Golden Ball, but only three balls made it all the way round the eighteen holes, some finishing in a watery grave. Denis Carruthers was determined that Group #7 Golden Ball wasn't going to be lost to a premature end, went to the water's edge, slipped and ended up knee deep and discovered the dam was too steep to retrieve the golden ball. The Golden Ball winning team was 1st Laurie McMartin, Keith Johnson, Glenn Watson & Bill Fonseca winning a bottle of red or white wine and 2nd was John Hunter, John Roach, Craig Tomison & Mark McKenzie winning the carry over wine from last game at Fox Hills G.C.

The Stableford winners were 1st John Roach 36 s/b points, 2nd John Hunter 35pts in c/b, 3rd Glenn Watson also 35pts, 4th Eric Osman 34pts, 5th Sid Pelcz in 4 way c/b 33pts, 6th Ron Williamson also 33 pts, 7th Sifa Nacagelivu also 33pts, 8th Bill Fonseca also 33pts

Our next game Stableford & Patrons Trophy 4 Ball Ambrose at The Ridge G.C.
