4 BALL AMBROSE: PATRON'S TROPHY - Team Event

"Good Morning Vietnam" xin chaoi

While Ron was tripping around Vietnam, and Joanne convalescing after her operation at the Entrance, George Liu was at the reigns, Laurie McMartin organised the BBQ, Gary Pleasance handed out the all important drink vouchers with Keith Johnson and John Hunter working on the cards.

Sifa Nacagelivu bundled up the tiger prawns in even bags lots with Robert Rubbo and John Kottaridis lending a helping hand to chef Laurie cooking the chicken and lamb kebabs.

What a banquet! Prawns, kebabs and fresh potato salads and coleslaws, all on a sesame bun, sorry wrong adv, on fresh bread rolls. Thanks for all that helped make the day a success, Mal Tyler counting the total cost per person on his abacus.

Ron rang George from Vietnam to check if all was going like clockwork, photos with Trophies with our photographer Gary Pleasance today, even if George gets the Trophies mixed up for the Kodak moment

We had 27 play, 28 at the game with Sid Pelcz off to work before the presentation, while all stayed for the banquet

The golf was a team event and I believe Gary Morrison, who came up with the idea for the event more than a few years ago gave a little story of its history, no mention of Seve Ballesteros in his few words
