Secretary's Newsletter

Well, as we negotiate the Covid road, there seems to be light at the end of the tunnel come Oct/Nov so I hope everybody is staying fit and well during these unusual and difficult times.

VALES

The following have passed since our last Newsletter:

- Basil Smith DoD 26/07/2021 aged 86
- Raymond Keys DoD 23/08/2021 Aged 96
- Esther Kitchings DoD 28/08/2021 Aged 92 (Youth Club)
- Joseph Paterson DoD 11/09/2021 Aged 100

Commemorations – We hope to hold the Remembrance Day Service on Thursday, 11 Nov starting at 10:45am at the Burt Crook Memorial. This will all depend on the Government COVID restrictions on the day and the ability for the Club to hold such an event. The Club hopes to reopen either the 11th or 18th Oct. We will keep you all informed.

Member's Meeting – It may be too soon to hold the next Members Meeting scheduled for the 24th October. A possible date could be Sunday, 21st November with a luncheon following. Again, this will depend on Govt restrictions imposed on the Club Ltd Industry. More to follow on this.

General News

Sub Branch Rules

- Formally known as Bi-Laws. I have produced a one-page form outlining some Rules that are specific to our Sub Branch. These will be tabled for discussion with a motion at the next Member's Meeting. You can view a Draft on the Website at <https://www.chprslsubbranch.com.au/news>

State Congress

- At this stage, the State Congress will be held in Newcastle 6-7 December with only the Sub Branch Delegate (Ken) invited to attend due to Covid restrictions. This may mean our Christmas Luncheon scheduled for the 6 December will need to be rescheduled to the following Monday. Again, depending on Covid restriction may also mean that we hold 2 luncheons to accommodate all Members that wish to attend

Welfare – Please contact us if you require any welfare related assistance. This may include:

- Difficulties in acquiring groceries
- Medication prescriptions
- Medical appointments
- Wellbeing issues

If your requirements are unable to be met by the Sub Branch then we will notify Defence Care on your behalf to source their assistance.

More information and future up-dates can also be found on the Sub Branch Website at:

Please let me know if there is anything that you would like included on the website as it is a great way to stay informed.
